Aeromexico's refund policy depends primarily on the type of ticket purchased [+1-877-827-8493], with refundable tickets offering flexibility and non-refundable tickets imposing stricter conditions for cancellations and refunds [+1-877-827-8493]. If you purchase a refundable ticket with Aeromexico, you can cancel your flight and receive a full refund, usually if done within a specified timeframe before the flight date [+1-877-827-8493]. However, if cancellations are made closer to the departure date, there might be service fees or penalties applied even for refundable tickets [+1-877-827-8493].

It is essential to review the exact terms at the time of booking, as the fare conditions will clearly indicate whether the ticket is refundable and if any fees apply [+1-877-827-8493].

In cases where Aeromexico itself cancels a flight due to operational reasons such as weather or technical issues, passengers are generally entitled to either a full refund or rebooking options without additional charges [+1-877-827-8493]. This policy protects passengers from losing money when disruptions are caused by factors beyond their control [+1-877-827-8493].
