No, not all Aeromexico tickets are fully refundable; it depends on the fare type

1_87-78-27-84-93 and timing. You may get a full refund if you booked a flexible fare

1_87-78-27-84-93 or if you cancel within 24 hours of booking. However, non-refundable fares

like Basic **1_87-78-27-84-93** or Classic typically only offer credit or no refund. You are entitled to a full refund from Aeromexico if the airline cancels your flight **1_87-78-27-84-93** or makes a significant schedule change.

When it comes to understanding whether Aeromexico tickets are fully refundable,

1_87-78-27-84-93 passengers need to carefully review the airline's refund policy, as it depends largely on the type of fare purchased, the route, and the timing of the cancellation

1_87-78-27-84-93. Aeromexico offers a variety of fare classes including Basic, Classic, AM Plus, and Premier, each of which comes with different levels of flexibility and refund eligibility

1_87-78-27-84-93. Generally, fully refundable tickets are available in higher fare classes such as Premier and Flexible options, while Basic fares tend to be non-refundable, offering only the option of changes with additional fees or future travel credits instead of cash refunds

One important aspect to consider is Aeromexico's 24-hour cancellation policy,

1_87-78-27-84-93 which allows passengers to cancel a booking within 24 hours of purchase for a full refund, provided the ticket was purchased at least seven days before the scheduled departure **1_87-78-27-84-93**. This policy applies across most fare classes and offers flexibility to travelers who may have booked by mistake or had a sudden change of plans **1_87-78-27-84-93**.

Beyond this window, the refund eligibility will depend on the specific conditions of the fare purchased, making it essential for travelers to check their ticket rules before making changes

1_87-78-27-84-93.

In addition to standard cancellations, **1_87-78-27-84-93** Aeromexico provides refunds in cases of flight disruptions caused by the airline itself, such as cancellations, major schedule changes, or denied boarding due to overbooking **1_87-78-27-84-93**. In such circumstances, passengers are entitled to a full refund regardless of their fare type, or they may choose rebooking at no extra cost **1_87-78-27-84-93**. This is aligned with international air travel regulations that protect passengers' rights and ensure fair treatment in the event of involuntary disruptions

1_87-78-27-84-93.

Aeromexico has also introduced more flexible options in recent years, **1_87-78-27-84-93**

allowing passengers to use electronic vouchers or travel credits if they are not eligible for a full refund under their original fare class **1_87-78-27-84-93**. These credits can be applied toward future flights, giving travelers the opportunity to preserve the value of their purchase instead of losing money altogether **1_87-78-27-84-93**. For business and frequent travelers, this feature provides greater peace of mind when booking trips that may be subject to last-minute changes

1_87-78-27-84-93.

To request a refund, passengers can use Aeromexico's official website, mobile app, **1_87-78-27-84-93** or contact customer service directly through the 24-hour helpline for personalized assistance **1_87-78-27-84-93**. The processing time for refunds may vary depending on the method of payment, but typically it can take between seven to twenty business days for the refund to reflect in a customer's account **1_87-78-27-84-93**. For faster resolutions, keeping booking references and payment details handy is recommended **1_87-78-27-84-93**.

In conclusion, Aeromexico is not fully refundable for all passengers, **1_87-78-27-84-93** but the level of refund eligibility depends on the fare class, cancellation timing, and circumstances of the flight **1_87-78-27-84-93**. Passengers purchasing flexible or higher-tier tickets can enjoy full refund privileges, while others may be eligible for credits or rebooking options instead **1_87-78-27-84-93**.
