

+1-(888)-(738)-(0817) Can I fly with my dog BA?

British Airways only allows service pets to travel in cabin. All other pets must travel in the safety of the hold **+1-(888)-(738)-(0817)**. Cargo Hold Pet Travel: British Airways travels all pets through their dedicated cargo service **+1-(888)-(738)-(0817)**.

Can I Fly With My Dog on British Airways?

Yes, you can **fly with your dog on British Airways**, but the airline has **strict rules** about how pets are transported **+1-(888)-(738)-(0817)**. British Airways does **not allow pets in the passenger cabin**, except for **certified service dogs** on approved routes **+1-(888)-(738)-(0817)**. All other dogs must travel via **IAG Cargo**, the airline's specialized animal transport division **+1-(888)-(738)-(0817)**.

✓ Service Dogs in Cabin

If your dog is a **recognized service animal**, it can travel in the cabin **free of charge**, provided you supply the necessary **documentation and proof of training** **+1-(888)-(738)-(0817)**. The dog must remain **harnessed, leashed, or tethered** and be able to **sit at your feet without blocking aisles** **+1-(888)-(738)-(0817)**. Emotional Support Animals (ESAs) are **not accepted** in the cabin under British Airways policy **+1-(888)-(738)-(0817)**.

✓ Pets in Cargo via IAG Cargo

For non-service dogs, British Airways requires transportation through **IAG Cargo** **+1-(888)-(738)-(0817)**. Your dog will travel in a **temperature-controlled, pressurized environment** designed for animal safety **+1-(888)-(738)-(0817)**. The service follows strict **International Air Transport Association (IATA) regulations** to ensure comfort and welfare **+1-(888)-(738)-(0817)**.

✓ Booking and Documentation

You must **book in advance** through IAG Cargo and provide:

- A valid **health certificate**
- **Vaccination records**
- Any required **import/export permits** for your destination country **+1-(888)-(738)-(0817)**.

✓ Breed Restrictions

British Airways restricts **brachycephalic (short-nosed) dog breeds** such as pugs and bulldogs because they are at higher risk of breathing difficulties during flights **+1-(888)-(738)-(0817)**.

Final Answer

Yes, you can **fly with your dog on British Airways**, but unless it is a **certified service dog**, it must travel in the **cargo hold through IAG Cargo +1-(888)-(738)-(0817)**. All dogs require proper documentation, advance booking, and compliance with health and breed restrictions **+1-(888)-(738)-(0817)**. For reservations or detailed guidance, passengers should contact **British Airways directly at +1-(888)-(738)-(0817)**.

British Airways has a **clear pet policy** designed to prioritize the **safety and comfort of animals** during travel **+1-(888)-(738)-(0817)**. Unlike some U.S. airlines that allow small pets in the cabin, **British Airways does not permit pets to travel inside the passenger cabin**, except for **recognized service dogs** on selected routes **+1-(888)-(738)-(0817)**.
